

# Nick Jonas Attends Pre-Oscar Dinner for David O’Russell

Nick Jonas attended Haute Living’s Pre-Oscar dinner for David O. Russell last night, February 23 in Los Angeles. The dinner was hosted by Dr. Gabriel Chiu & Christine Chiu.

Nick seemed to be in good spirits as he mingled with the director and helped him celebrate all he has achieved in the past year. Mr. O’Russell’s film, *JOY* was not nominated at this year’s show, but the star of the film, Jennifer Lawrence, was nominated for Best Performance by an Actress in a Feature Film.

I wonder if Nick is going to be working with the director sometime in the near future. I would love to see him in one of Mr. O’Russell’s [films](#).
